

Elite Beauty USA®

Online Pageantry at its Finest

We thank you for your interest in the Elite Beauty USA® online pageant system. As a potential titleholder candidate, your willingness to learn more about the unique opportunities our pageant has to offer is key to your success in this system.

Elite Beauty USA® has been operating for over ten years now, and we take great pride in our Queens' Gallery which displays several photos of our state and national queens. If you are interested in learning more about the types of prizes and viewing examples of the seasonal royalty attire awarded, please take a moment to visit the Queens' Gallery page as well as our Facebook Page. We also post style references on the Prize Page and Entry Forms.

The Elite Beauty USA® pageant system is owned by Pageant Emporium®. Pageant Emporium® (aka Pilato Productions) is an online resource and production company that has been producing pageants since 1999. Pageant Emporium® also owns Tiara Connection and Glitznglittergraphics.com. This networking has allowed us to keep our entry fees down because the cost of operation is kept to a minimum. This drastic savings is passed on to our contestants. We are able to offer the biggest and best prizes available in the online pageant industry, and our professionally designed website and promotional materials showcase our winners with the prestigious recognition they deserve!

Elite Beauty USA® is also a Mailinpageants.com approved pageant. Please visit the Mailinpageants.com website to view the glowing descriptions and referrals that have been turned in by former Queens.

In addition to being featured on our website, promotional materials, and banner ads, our winners have appeared in several national pageant publications. We challenge you to peruse publications such as Pageantry Magazine, Supermodels Unlimited, Banner & Crown, Patsy's Magazine and Pageant Emporium® Digest without stumbling across a King or Queen who represents a Pageant Emporium® title.

PAGEANT ENTRY

Now that you've learned a bit about what our pageant has to offer, let's get to work on your entry! 😊

Elite Beauty USA pageant is a level pageant. There is a state and national level. You must start at the state level and receive a state title before advancing to the national competition. If you wish to bypass the state level, you must enter Nationals as an “open state” contestant and pay the fee for that option.

The scoring criteria for each level is the same, but the requirements are a little different. For the state competition, an applicant must turn in a list of their top five achievements. This list can include any life achievements, so feel free to go back as far as you'd like. The list of achievements may range from academic honors, pageant titles, community involvement, and any special skills or hobbies. National applicants must turn in a list of 10 achievements.

***NOTE:** Because young competitors may not have a large list of life accomplishments, their highest scores usually come from facial beauty and overall impression. Please be sure to turn in a photo that displays the face well, with good lighting and clarity.

PHOTOS

The photos that you submit with the entry may be any type of photo as long as the judges will be able to use them to judge facial beauty and overall appearance. Head shots are ideal but not required.

PRIZES & FEES

This pageant offers different fee packages and prize options to accommodate the budgets and needs of our applicants.

Prizes are sent according to the posted schedule. There are rush options available on the entry forms if you'd prefer to receive results and/or prizes ahead of schedule.

SCORING

The Elite Beauty USA pageant is not a title mill. We have two result notices that we send to applicants. One is a congratulations letter and the other is a critique sheet. If your score is high enough for you to receive the title, you will receive your congratulations letter and the prizes according to the posted schedule.

If you receive a critique sheet, you will be given the opportunity to reapply for your title free of charge. If you receive a critique sheet, please do not be discouraged. Often, the adjustments needed to raise the score to meet the requirements are not difficult, and the critique will help you to be successful in other online competitions.

Scoring Criteria:

Contestants will be given a score of 1-100 on the following factors:

- *Achievements
- *Photogenic Appeal
- *Model Potential
- *Community Involvement
- *Overall Impression

The top 3 scores will be kept and averaged for the overall score.

A score of 70 or higher is required for a state title. Applicants must score 80 or higher for a national title.

Once again, we thank you for your interest in the Elite Beauty USA online pageant system, and we are looking forward to receiving your entry!
